NOTICE TO THE PARENTS/ TUESDAY, 21 FEBRUARY, 2023

Respected Parents,

This is to inform you that due to the change of weather conditions many students are getting affected with viral fever and other serious illnesses. Some of the sicknesses are contagious and not good for other students of the school.

Therefore, you are requested to do the following: -

01. Do not send your child to the school if he/she suffering from serious and contagious sicknesses. You make him/her rest at home, on the other hand if you forcefully send him/her to the school other students would get sick.
02. They would be given average marks of 75% from their previous Unit Tests/ Term Exams as the case may be. The students will not be getting zero
03. If he/she is absent do apply for leave on the same day by coming to the school and getting the leave sanctioned with the Principal. If you have consulted the doctor and have any prescriptions bring along with you the original as well as the Xerox copy.
04. If you are unable to come to take leave on the day of your child's absence because you may have to take him/her to the hospital or to attend to him/her. In such a situation do send the mail informing the reasons of absence and come and apply for the leave on the next day during office hours.

NB: Only those students who have their exams need to come to the school, others will have the Study Leave.

Finally, I would request you to take note of the above mentioned reasons and do the needful.

Thanking you and looking forward to your cooperation and collaboration.

Yours sincerely

Fr. Sunit Kishor Kiro
Principal
