NOTICE TO THE PARENTS/MONDAY, APRIL 22, 2024

Dear parents,

Greetings and wishes from Don Bosco School, Berhampore!

The School Education Department of the Government of West Bengal has given an advisory to the Educational Institutions to close the schools **due to extreme hot weather conditions currently prevalent in our state of West Bengal**. Our school after having given sufficient thought and studied the issue from all perspectives has decided to follow the advisory of the government.

Our summer vacation has been scheduled from May 18th, 2024, to June 17th, 2024. **In the light of the above plan the school shall be closed for one week at a time from April 23, 2024.** After a week we might begin the Online Classes if the weather conditions do not improve. You will be informed regarding this well ahead of time in the school website. Parents are requested to check the website of the school to verify and ascertain the opening of the school. Should the weather conditions become favourable for normal classes we shall not desist in any way to open the school and welcome the students back to their school.

Basing on the above the school shall be closed in phases of one week at a time till the beginning of the summer vacation. We have taken this decision considering the fact that last couple of weeks of May and 1st week of June are normally very hot and unbearable.

Considering all the facts the school will reopen on June 10th, 2024, as we are already having sufficient summer break. We have lost a lot of our instruction hours due to the anticipated summer vacation and we need to make up the loss in whatever way possible.

Please cooperate with the school to make your children's educational experience effective and pleasant. The Meteorological Department has predicted a Normal Monsoon this year, hence the days following the arrival of monsoon shall not be uncomfortable. We are hopeful that the scenario will change for the better and our children will once again have the joy of learning in school, in the company of their friends and teachers.

Yours sincerely

Fr. Sunit Kishor Kiro
Principal
